01

Sustainathon
– Mini Hackathon

Event - 01

Event Description:

The SDG Innovation Challenge invites students to create innovative solutions aligned with the UN Sustainable Development Goals (SDGs). Participants will identify a problem, propose a solution, and demonstrate it through a working prototype.
Vibe coding is permitted during prototype development.

Event Theme:

Sustainable Development Goals (SDGs)

Eligibility Criteria & Team Formation:

- Open to all students of the college.
- Maximum 2–4 members per team.
- All team members must complete registration.
- Entry Fee: **₹79 per person**.

Event - 01

Event Format & Rounds:

Phase 1 – Online Submission Round

- Teams must submit their idea PPT via Google Form.
- Participants must submit a PPT containing:
  - Problem Statement
  - Proposed Solution
  - Technical Approach
  - Challenges and Possible Solutions
  - Expected Impact and Benefits

Schedule:

- Registration Starts: 18 February
- PPT Submission Deadline: 23 February (11.59pm)
- Result Declaration (Shortlisted Teams): 24 February

**Shortlisted teams will be invited for the Offline Final Round.**

Event - 01

Event Format & Rounds:

Phase 2 – Offline Final Round (Prototype Development)

- Event Date: 26 February
- Reporting Time: 10:30 AM
- Duration: 4 Hours Development Time
- Shortlisted teams will:
  - Develop a working model or prototype
  - Demonstrate their solution
- **Vibe coding and AI-assisted coding tools are allowed during development.**
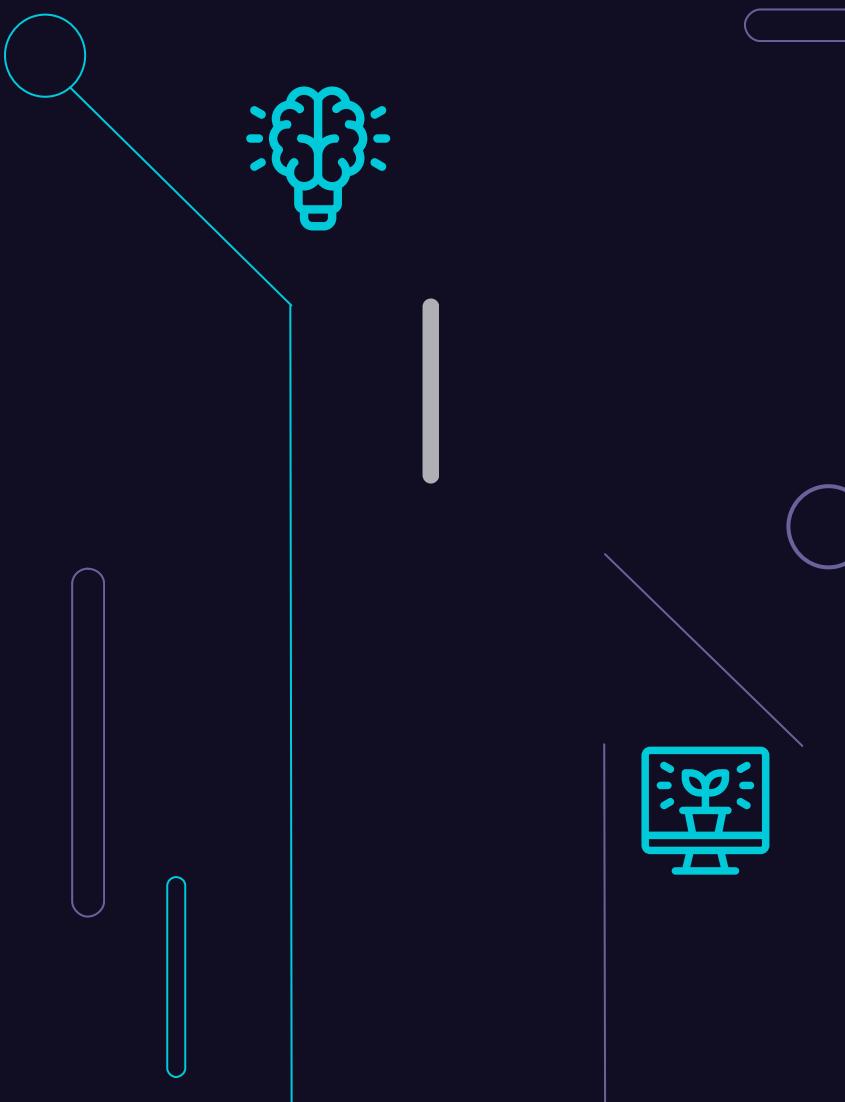

Note: Participants must bring their own laptops and required components. Computers will not be provided.

Event - 01

Judging Criteria:

Criteria	Marks
Innovation & Uniqueness of Idea	20
Relevance to SDG Theme	15
Technical Approach & Implementation	20
Feasibility & Practical Application	15
Working Prototype / Model	20
Expected Impact & Benefits	10
Total	100

Event - 01

Rules During the Event:

- Only shortlisted teams are allowed to participate in the final round.
- Pre-built full projects are not allowed.
- All participants must be registered to take part in the event.
- All submissions must be the original work of the participants.
- Plagiarism or copied projects will result in immediate disqualification.
- Teams must complete development within the allotted 4 hours.
- Teams must carry laptops, software, and required materials.
- Judges' decision is final and binding.
- Participants must follow instructions given by event organizers.
- Use of AI tools or vibe coding is permitted, but teams must understand and explain their implementation.

Intellectual Property Policy:

- All ideas and prototypes developed by participants remain the intellectual property of the participants.
- By submitting, participants grant the organizers permission to showcase project details (with credit to participants) for academic or promotional purposes.

Refund Policy & Legal Clause:

- No refunds will be provided for registration.
- Organizers reserve the right to modify, postpone, or cancel the event at their discretion.
- Participation implies acceptance of all rules and guidelines.
- All disputes will be subject to the jurisdiction of local laws.

Event - 01

Prizes & Recognition:

- Winner: 1 Team
- Runner-up: 1 Team
- Certificates will be provided to all shortlisted participants.

Miscellaneous:

- Participants should arrive on time for all rounds.
- Organizers are not responsible for loss or damage of personal belongings.
- Any clarifications or modifications will be communicated to registered participants.

02

Websprint
–Rapid Frontend Web Challenge

Event - 02

Event Description:

Participants will be given a website development topic on the spot. Based on the requirements announced at the start, they must design and develop the frontend of a website. All participants will work on the same topic to ensure fairness and uniform evaluation.

Eligibility Criteria & Team Formation:

- Open to all registered college students.
- Participation can be:
  Individual – ₹99
  Team of 2 (Duo) – ₹149
- All participants must complete registration.
- Maximum team size: 2 members.

Event - 02
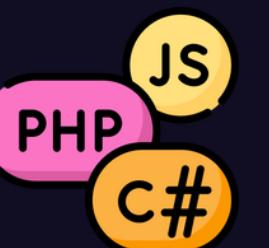

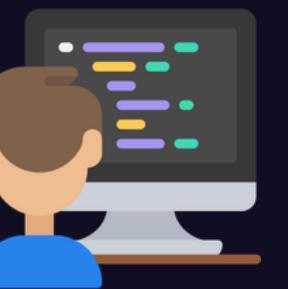

Schedule:

- Mode: Offline
- Event Date: 26 February
- Reporting Time: 10:30 AM
- Development Duration: 2 Hours
- Topic and requirements will be announced after the official start.
- Refreshments will be provided.

Technical Constraints:
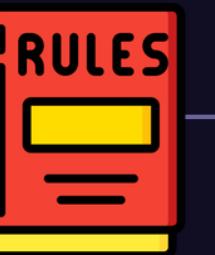

- Frontend only: HTML, CSS, JavaScript (Bootstrap/Tailwind optional)
- Deployment is mandatory within the allotted 2 hours.
- Any code editor allowed (VS Code recommended; **Vibe Coding permitted**)
- Basic responsiveness preferred
- Pre-built templates/projects are **not allowed**.

Rules During the Event:

- Must be registered to participate.
- Participants must bring their own laptops and required tools.
- **No computers will be provided.**
- Development must start only after the topic is announced.
- Use of vibe coding is allowed, but participants must understand and explain their implementation.
- Judges' decision is final and binding.

Intellectual Property Policy:

- All work created during the event remains the intellectual property of the participant(s).
- Organizers may showcase projects (with credit) for academic or promotional purposes.

Event - 02

Submission & Demonstration

At the end of the 2 hours:

- Participants must submit their deployed website link.
- The project must run successfully.
- Brief explanation (2–3 minutes) covering: design approach, structure, features

Refund Policy & Legal Clause:
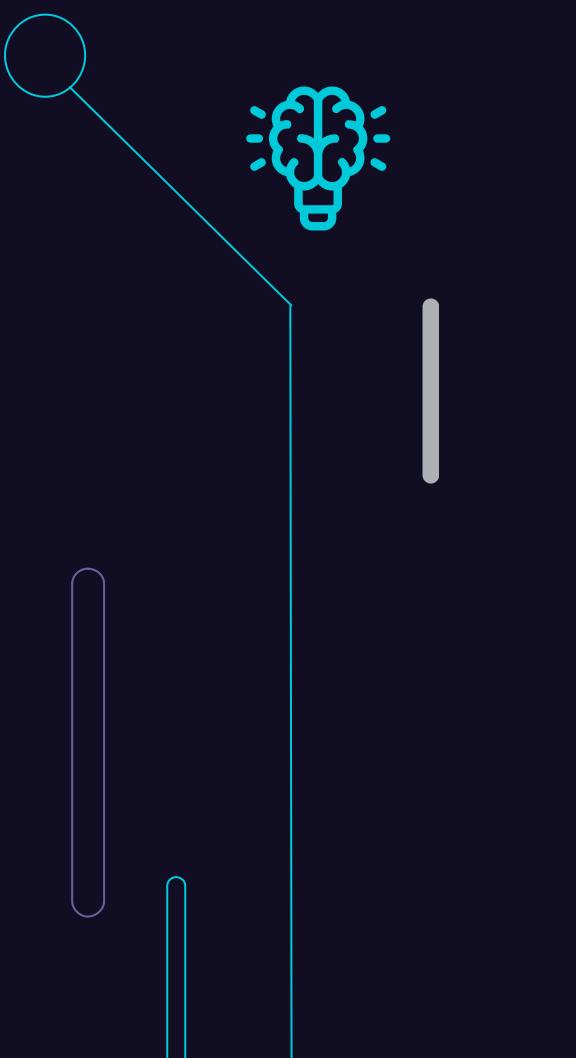

- Registration fees (₹99 / ₹149) are non-refundable under any circumstances.
- Organizers reserve the right to modify, postpone, or cancel the event at their discretion.
- Participation implies acceptance of all rules and guidelines.
- All disputes will be subject to the jurisdiction of local laws.

Event - 02

Judging Criteria:

Criteria	Marks
Relevance to Given Requirements	20
UI/UX Design & Creativity	20
Navigation & Website Structure	15
Responsiveness & Layout	15
Proper Use of HTML/CSS/JS	10
Code Quality & Organization	10
Presentation & Explanation	10
Total	100

Event - 02

Prizes & Recognition:
- Winner: 1
- Runner-up: 1
- Certificates will be provided to all shortlisted participants.

Miscellaneous:
- Participants should arrive on time for all rounds.
- Organizers are not responsible for personal items brought to the event.
- Any clarifications or modifications will be communicated to registered participants.
